New Routes

Route 31: New route: 31 -

Route Changes

Route 744

- Validity period changed for 744

Route 6

- Validity period changed for 6

Route 14

- Validity period changed for 14

Route 24

- Validity period changed for 24

Route 789

- Validity period changed for 789

Route C4

- Validity period changed for C4

Route 777

- Validity period changed for 777

Route 46

- Validity period changed for 46

Route m1

- Validity period changed for m1
- 9 timing change(s) on m1

Route 443

- Validity period changed for 443

Route 425

- Validity period changed for 425

Route 736

- Validity period changed for 736

Route 85

- Validity period changed for 85

Route 8

- Validity period changed for 8
- 4 new stop(s) added to 8
- 2 stop(s) removed from 8
- 1 timing change(s) on 8

Route 38

- Validity period changed for 38

Route 763

- Validity period changed for 763

Route 16

- Validity period changed for 16

Route 12

- Validity period changed for 12

Route 22

- Validity period changed for 22

Route 50

- Validity period changed for 50

Route 81

- Validity period changed for 81

Route 13

- Validity period changed for 13

Route Q1

- Validity period changed for Q1

Route 737

- Validity period changed for 737

Route C20

- Validity period changed for C20

Route U2

- Validity period changed for U2

Route C13

- Validity period changed for C13

Route 87

- Validity period changed for 87

Route 898

- Validity period changed for 898

Route 11

- Validity period changed for 11

Route 40

- Validity period changed for 40

Route 32

- Validity period changed for 32

Route 60

- Validity period changed for 60
- Operating days changed for 60

Route 7A

- Validity period changed for 7A

Route X6

- Validity period changed for X6

Route 191

- Validity period changed for 191
